

What is Annie's Project?

Annie's Project is an opportunity for farm women to learn about farm management skills and strategies in comfortable settings.

- Provides resources and information to improve your farming operation
- Class sizes are small
- Participants are other farm women from your area
- Opportunities to network with other farm women in similar situations

Annie's Project

Financial Management Workshop Series

Thursdays, March 3, 10, and 17, 2016, 10:00 a.m.-3:00 p.m.

This three-day workshop series is for farm women who are interested in learning or improving their farm financial management, a part of the fabric of farm life and the farm business. This series will be interactive between speakers and participants, with in-class exercises to assist you in learning about farm financial management. This series is a "chalk talk" presentation style!

ANNIE'S PROJECT

EMPOWERING WOMEN IN AGRICULTURE

Topics to be discussed in Financial Management Workshops:

- Introduction to the Financial Management Model
- Records and Recordkeeping Systems
- Financial Statements (Balance Sheet, Income, and Cash Flow Statements)
- Analysis and Interpretation of Financial Statements
- Benchmarking of Financial Position and Performance
- Decision-Making Tools (Budgeting)

Speakers:
