

# What is Heart of the Farm & Annie's Project

Heart of the Farm –Women in Agriculture and Annie's Project are opportunities for farm women to learn about Farm Management skills and strategies in a comfortable setting.

- Addresses the needs of farm women by providing education on pertinent topics
- Provides resources and information to improve your farming operation
- Classes are small
- Participants are other farm women from your county/area
- Opportunities to network with other farm women in similar situations

For more information about this workshop series contact your local UW Extension Agriculture Educator:

Kimberly, WI

## Financial Management Workshop Series

Wednesdays, March 2<sup>nd</sup>, 9<sup>th</sup> and 23<sup>rd</sup>, 2016

Liberty Hall  
800 Eisenhower Drive  
Kimberly, WI

This three day workshop series is for farm women who are interested in learning or improving their farm financial management, a part of the fabric of farm life and the farm business. This series will be inter-active between speakers and participants with in-class exercises to assist you in learning about farm financial management. This series is a "chalk talk" presentation style!"

Topics to be included in Financial Management Workshops:

- Introduction to the Financial Management Model
- Records and Recordkeeping Systems
- Financial Statements (balance sheet, income & cash flow statements)
- Analysis and Interpretation of Financial Statements
- Benchmarking of Financial Position and Performance
- Decision—Making Tools (budgeting)

Speakers:

- Nate Splett, Professor Emeritus, University of Wisconsin–River Falls Department of Agricultural Economics
- Jenny Vanderlin, Assistant Director, Center for Dairy Profitability
- Liz Binversie, Agriculture Educator, UW Extension, Brown County
- Kevin Jarek, Crops & Soils Agent, UW Extension, Outagamie County
