Returning to the Farm
Sponsored by UW-Cooperative Extension, UW-Center for Dairy Profitability, UW-River Falls and WDATCP

At Returning to the Farm you’ll discuss:
- Transition Realities
- Multiple generation farm families: living and working together
- Farm business arrangements that fit your business & personal goals

This program will:
- Provide general information necessary to plan entry into existing farm operations
- Furnish a resource packet with worksheets, exercises and pertinent information
- Offer an opportunity for students and their families to discuss issues related to farm transfer

Returning to the Farm

FOR STUDENTS AND THEIR FAMILIES

Returning to the Farm is a four day program for students and their families who will be entering a multiple generation farm business.

- Discover how to address major issues that can lead to failure in a multiple generation farm business
- Learn about estate planning tools
- Find out whether an existing operation is large enough to support an additional partner
- Uncover alternatives for transfer of farm assets
- Get the most recently published resources for those considering a multiple generation farm business

A FOUR-DAY PROGRAM FOR ONLY $150 (early bird price)

NOVEMBER 3-4, 2006
FEBRUARY 9-10, 2007
